Niloofar Tile Industrial

Industrial Group

**NASSERI**

# History

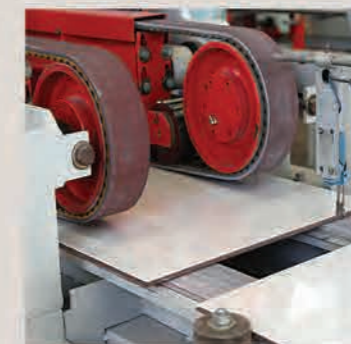

Nasseri Industrial group started tile production in Niloofar tile industries.

Being one of the first tile manufacturers in Iran, Niloofar tile is specialised in producing high quality wall tiles since 1980.

High glossy monoporosa wall tile is one of the highest demanding products of this factory in domestic and international market.

Aida Ceram Tile Industries is one of the factories of Nasseri Industrial and Commerce Group, which started its operations in May 2008 in order to produce and complete the product portfolio of this group in the ceramic floor and increase the competitiveness of the domestic and foreign markets.

Aida Ceram Tile Industries Produces and distributes its products in various packaging and designs in various sizes, using branding knowledge. The products of this complex comply with the national standard of the country, ISIRI, and some of the international standards of ISO, have a good quality and are regularly maintained and coded in the domestic and foreign markets of Afghanistan - Pakistan - the countries of the Cis - Gulf States - North Africa.
