# CERAMIC TILES

# THE COMPANY

## History

Nasseri Industrial group started tile production in Niloofar tile industries.

Being one of the first tile manufacturers in Iran, Niloofar tile is specialised in producing high quality wall tiles since 1980.

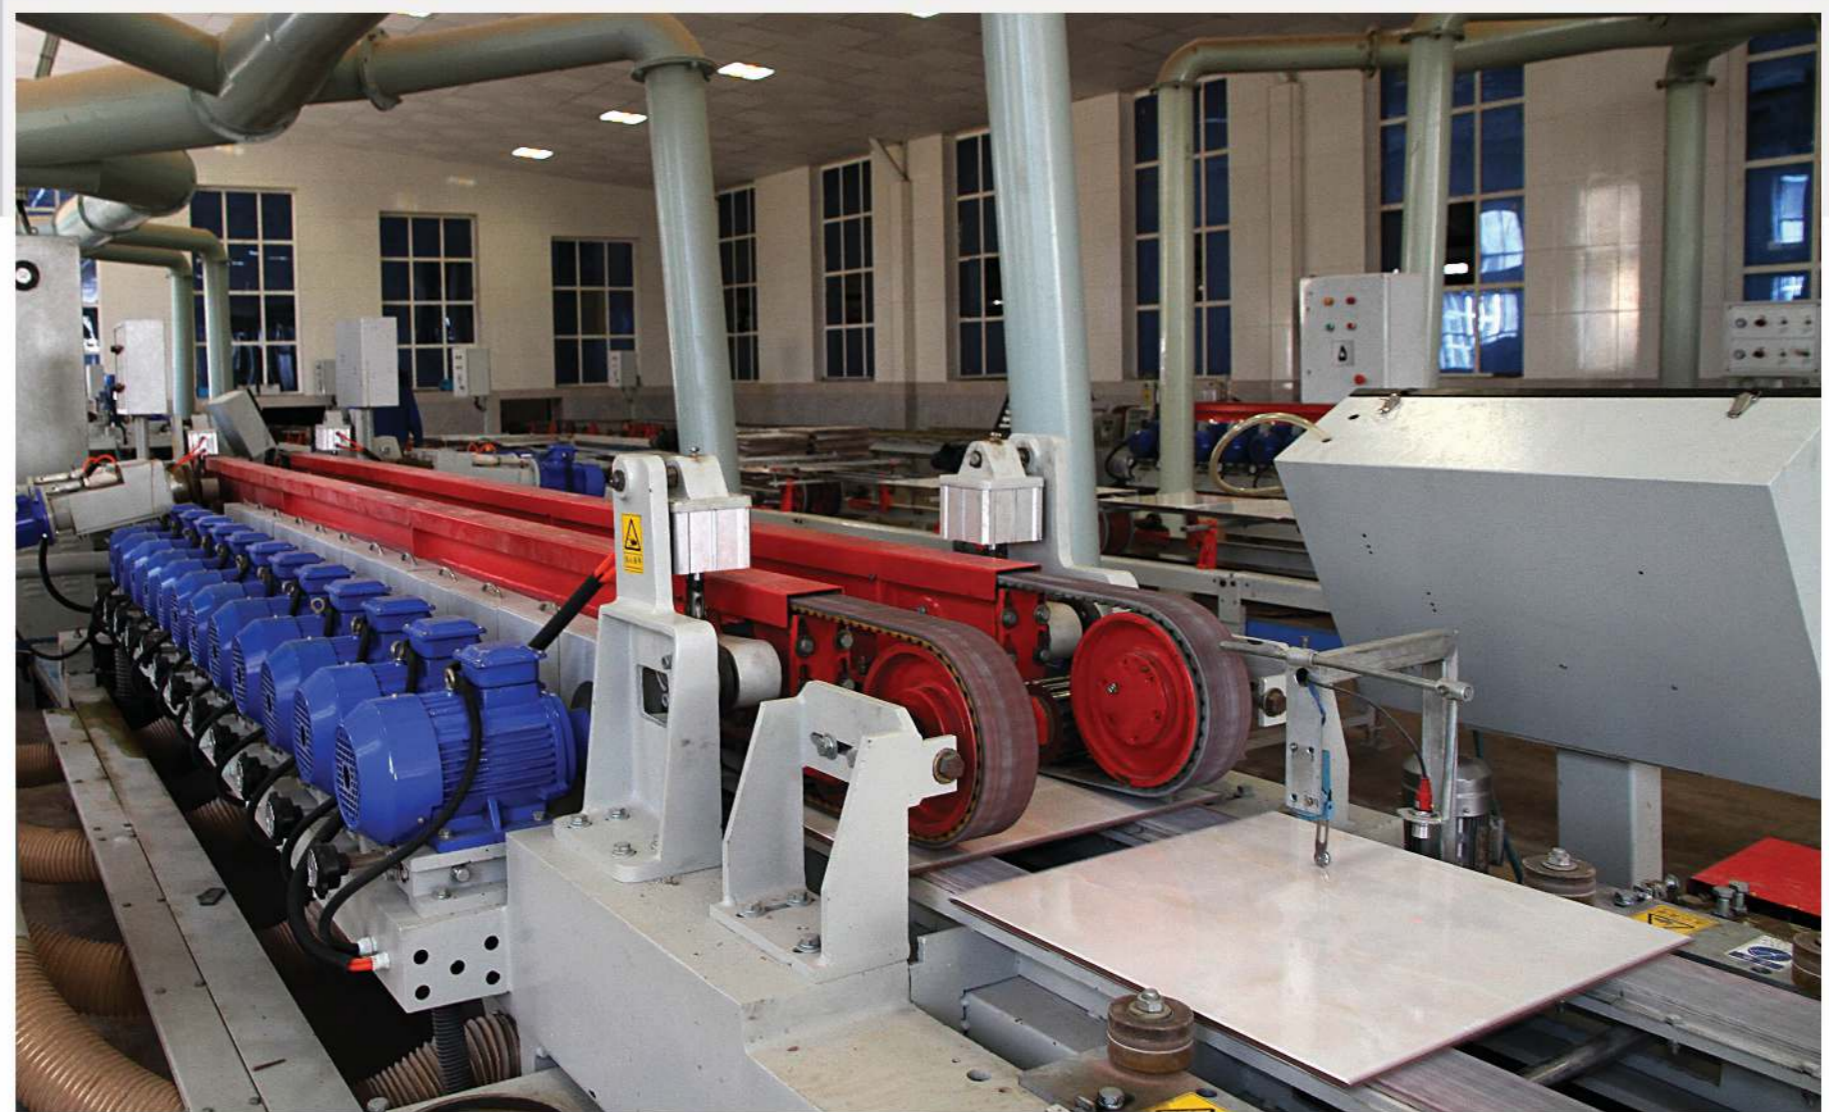

High glossy monoporosa wall tile is one of the highest demanding products of this factory in domestic and international market.

Aida Ceram Tile Industries is one of the factories of Nasser Industrial and Commerce Group, which started its operations in May 2008 in order to produce and complete the product portfolio of this group in the ceramic floor and increase the competitiveness of the domestic and foreign markets.

Aida Ceram Tile Industries Produces and distributes its products in various packaging and designs in various sizes, using branding knowledge. The products of this complex comply with the national standard of the country, ISIRI, and some of the international standards of ISO, have a good quality and are regularly maintained and coded in the domestic and foreign markets of Afghanistan - Pakistan - the countries of the Cis - Gulf States - North Africa.

# ROOM FOR IMAGINATION

## Design

We aim to create whatever the clients have in mind in terms of design.

Our success is dependent on our ability to understand the needs of our customers, guaranteeing the quality and safety of our product offer.

Quality and innovation are our core values that are seen in:

- The desire to pursue excellence in technology and in professional development of our staff.
- The will to express design and creative styles in our products.
- The commitment towards the safeguarding of our environment, the best gift we can pass down to future generations.

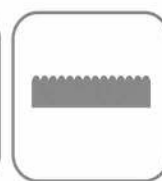

With DPT, we are able to bridge the world of design and architecture with new tools for creative interpretations.
